

Through UNITY WISH LIST

This Wish List gives you some ideas about how you can help **Through UNITY** to work effectively against gun and knife crime and youth violence.

As you would expect, we need funding, but there are other things we need too. Please have a look at the list. There's a lot here, but we would be grateful for whatever contribution you can make, or please use your networks to broaden our appeal. Even in a credit crunch someone might be able to put in a good word. Your support will enable us to continue support our families in their work, and help us continue the good work we have started.

Please fill in the section below and place send this form to us at: **Through UNITY**, Knowledge Dock Business Centre, 4 University Way, London EC16 2RD.

Thank you very much for helping us to achieve our wishes and build a strong, successful Charity, working in partnership and making a real difference!
We always need funding but there are other things we need too:

Volunteers: primarily for office/administration work, or to speak in schools?

Donations: of anything from celebrities or football teams etc. If you are a celebrity could you support our work?

Boxes: Could you allow us to place one of our collection appeals in your store/workplace or could you help as a volunteer collector?

Projects: to support our vision - if you can fund and deliver them?

Sponsored Fund Raising: Could you run with us in a 5K or 10K run or help in another sponsored event?
